EQUALITY ACT POLICY (MNSP)

1. Purpose of Statement and Guiding Principals

The purpose of this statement is to define the Midsomer Norton Schools Partnership Trusts commitment to equality and diversity and represents our commitment to a common set of values and objectives, and to a consistent approach to communicating, implementing and monitoring the statement.

The MNSP and its member academies/schools is committed to equality in both employment and education provision. We aim to ensure that students, parents, governors, trustees, employees, contractors, partners, clients and those who may potentially join the Trust community, are treated fairly, and with dignity and respect.

This policy encompasses the following protected characteristics:

- Age;
- Disability;
- race, colour, nationality, ethnic or national origin;
- sex (including transgender);
- gender reassignment;
- pregnancy and maternity;
- religion or belief;
- sexual orientation; and
- marriage and civil partnership (for employees)

The MNSP recognises that it is also unlawful to discriminate by association or perception, e.g. treating a student unfairly based on the Protected Characteristics of their parents or other family members.

This statement recognises the four types of unlawful behaviour

- Direct discrimination
- Indirect discrimination
- Harassment
- Victimisation

Every possible step will be taken into account in the aim of ensuring individuals are treated fairly and decisions are based on objective criteria.

2. Public Sector Equality Duty

MNSP and its member academies/schools are fully aware of the requirement, in carrying out their functions, to have due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Act.
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it.
- Foster good relations across all characteristics - between people who share a protected characteristic and people who do not share it.

Due regard means giving relevant and proportionate consideration to the duty. For MNSP and its member academies/schools this means that:

- We will be aware of the duty and have due regard when making decisions and will assess whether it may have a particular implication for people with a particular protected characteristic.
- We will consider equality implications before and the time a policy is developed and will keep those implications under review on a continuing basis.
- We will ensure that the duty is integrated into the carrying out of the school/MNSP functions.

In accordance with its obligations under the [Equality Act 2010 \(Specific Duties\) Regulations 2011](#), MNSP will draw up and publish equality objectives ([Appendix 1](#)) every four years and annually publish information demonstrating how it is meeting the aims of the public sector equality duty. Where there are school specific objectives such objectives will be published for that individual school.

3. Links with Other Policies or Legislation

This statement applies to every policy, procedure and guidance document that is produced in relation to students, staff, parents and Governors.

This statement is underpinned by the Equality Act 2010 (“the Equality Act”).

Other Trust policies which link to this statement are:

- SEN Policy

4. Equality Statement

The MNSP will ensure that equal opportunities and the principles of fairness underpin all aspects of policy, procedure, education provision, consultation and decision making.

The MNSP is committed to equality in its delivery of education, whether or not the service is directly provided by us or contracted out to a third party provider.

The MNSP aim to provide high quality education services, making sure services are easily accessible. We will improve what we do by continuing to consult with staff, students, parents and governors, their communities and partners about equalities issues. We will promote our equal opportunities policy in our contact with parents, staff, governors and external organisations.

We will make every effort in creating equality of opportunity in order to ensure they are accessible and fair to everyone. Every person has the right to be treated fairly, regardless of race, gender, sexuality, disability, age culture, religion, nationality or caring responsibilities.

Where necessary we will implement reasonable adjustments, or additional support, to ensure equality of access to an education and suitable working environment.

Our staff and governors who agree and deliver our education provision will recognise diversity and demonstrate a proactive approach in their day-to-day work. They will ensure that everyone is treated fairly, recognising special needs and understanding differences.

Behaviour will reach our high standards of conduct (staff and students) and the learning environment we provide will be safe and accessible for those studying and working.

The MNSP will adhere to statutory Government legislation and give consideration to other relevant guidance, which aim to make sure that everyone is treated with equity.

The MNSP will not tolerate any form of discriminatory behaviour against members of the academy/school community.

5. Employment

The MNSP is committed to ensuring that employees have equal access to jobs, training, and professional development opportunities

All employment policies refer to the provisions of the Equality Act.

The MNSP recognises that the Act extends beyond the protected characteristics of an individual employee and has broader responsibilities to employees and situations that maybe covered by the Act. For example an employee with parental or caring responsibilities for a disabled dependent may have rights under the Act which the Academy would need to consider.

All recruitment will be undertaken with regard to the obligations set down by the Equality Act and applications will be monitored to report on recruitment activity, in line with the Act.

Age is a protected characteristic in relation to employment, but does not apply to students in the academies/schools.

Employees who are in breach of this statement will be dealt with under the MNSP disciplinary policy.

6. Student Provisions

The MNSP and its member academies/schools will ensure that students are provided with appropriate support to recognise their individual needs. This includes protection under the Act extending the reasonable adjustment duty to require schools to provide auxiliary aids and services to disabled students.

All policies relating to the provision of education, the curriculum, behaviour for learning, attendance, exclusion, medical treatment and Child Protection and safeguarding policies should consider the provisions and duties of the Act.

7. Contractors and Service Providers

The Trust will ensure that all service providers that are contracted to provide services to students, staff or visitors will comply with Equalities legislation.

Where services are deemed not to meet Trust standards, in relation to equal opportunities and fairness, contracts may be terminated.
