

## TAG Assessment Timeline

**Subject: IT BTEC**

**Year group: 13**

The following schedule will only be applicable to a small number of students who have not yet achieved a Distinction yet on either their December Mock or their Jan exam entry. All students will be working on coursework. We will devote a proportion of the lessons to the exam for certain students but most are now in a very strong position and we are looking at Distinctions and Dist \* across the board overall.
